

HELLO, I'M LUKAS!

I am currently looking for a job in Quality Assurance and/ or User Experience. What I lack in professional experience I make up for in the diversity of fields of work and study I went through.

EDUCATION

- ▶ **2023-2024 Technical degree**
game design [Rational Game Design], level design [Rational Level Design], videogames technology, quality assurance and player experience.
- ▶ **2020-2023 Bachelor Degree in Sociology**
social classes, workplace, culture medias and art, gender and family, language science, psychology and academic research methodology.
- ▶ **2019-2020 1-year Degree in English**
- ▶ **2016 High School diploma in Literature**

EXPERIENCE

- ▶ **University Paul Valéry - Montpellier 3**
2024 - degree internship 6 month
Research project on the Artgame movement [academic research, 3-days developer residency organisation and user feedback]
- ▶ **Sponsor RH - interim period**
2022 - general worker [inventory, assembly line, order preparation]
2018-2020 - food service industry [dishwashing, table service and large event catering]
- ▶ **Clermont-Ferrand city**
2020-2021 Temporary staff [after-school activity leader for 8-11 years old]
2019-2020 Civic service [music instruction support in a priority neighborhood]
- ▶ **Non-profit students organisation**
2016-2022 Team management, festival organisation [budget, programming artists, production of communication materials]
2021-2023 Student representative role

26.03.1998
